

## **Schoharie County Home of Ongoing Learning**

**10th Anniversary!**

### **2021 S.C.H.O.O.L. Fall Semester**

Registration starts **now** for classes and will be accepted throughout the semester.  
We are finally offering some courses in-person, and some via Zoom.

#### **WHAT IS SCHOOL?**

Founded in 2011, the Schoharie County Home of Ongoing Learning (**SCHOOL**) is a nonprofit membership organization that has had over 150 members who share a love of learning. It is an independent entity, sponsored by SUNY Cobleskill State College, affiliated with the Road Scholar Institute Network, and designed to stimulate the mind and energize the body in classroom and social settings. We provide daytime (and sometimes evening) non-credit classes. Our goal is to offer a choice of activities that encourage you to create, think, exercise and socialize.

**Fall 2021 term is August through December 2021**

#### **Contact Information:**

**S.C.H.O.O.L.**

**P.O. Box 576**

See our website at [www.cobyschool.com](http://www.cobyschool.com)

**A \$50 membership** allows you to choose as many classes that fit your schedule and interests. Our membership year runs from July 1 through June 30 and covers all classes, published in both the Fall and Spring brochures, for that period. The fee is the same no matter when you join during the year. Some classes require a fee to cover materials or other expenses.

**Classes:** See course descriptions for venue (Zoom or location), and any fee information. You will be sent an email (or otherwise contacted) with any necessary information and/or the invitation for Zoom classes about a week before the class.

**Registration** for fall classes will be accepted by email or snail mail. Registrations will be processed when the \$50 fee (payable to SCHOOL) is received. You will receive an email confirming your registration.

**Note:** This semester, to protect our members, we are requesting proof of COVID-19 vaccination to be sent in with your registration form for the Fall 2021. If we do not receive proof, then you will be required to wear a mask and social distance for any in-person SCHOOL class or event, per CDC guidelines. This information will be destroyed upon receipt.

**Attendance Policy:** Instructors/facilitators are volunteering their time to offer these educational classes and appreciate your attendance. Please let your instructor or ambassador know if you anticipate being absent. (Every class will have a SCHOOL ambassador who will be your contact for any questions/problems, and who will be the liaison between students and the instructor. Ambassador contact info will be given before the class).

## **Everyone Has Stories to Tell (Self-publishing)**

Heather Johnson

Mon Oct 4 2-3:30

Zoom

It is not difficult nor expensive to write your stories and have them available to the ages by publishing. The result is a professionally bound book that will exceed your expectations. You may even make some money, not counting your labor. We will also discuss non-fiction, essays, memoirs, instructional manuals, poetry anthologies, biographies and autobiographies as options.

## **GMOs and Feeding the Future**

John McClelland

Mon Oct 18 1-2:30

Zoom

We will discuss the history of GMO crops, the impact GMO crops have had on the world food supply and farming, the challenges the agriculture industry has moving forward, and the controversy around GMO crops.

## **Precision Agriculture**

Bruce Wright

Mon Oct 25 1-2:30

Zoom

The course will focus on how different types of mobile computers are being used to improve the planting, growing, and harvesting of field crops. Also included will be how computers are being used to reduce the emissions produced by diesel engines that power agricultural equipment, the use of GPS satellite technology, and different methods of planting crops.

## **Tour of Summit Cemetery**

Karen Cuccinello

Mon Sept 20 11-noon (heavy rain date 9/27)

¼ mi south of Summit village

Join us at the Summit Cemetery where Karen will offer some history on about 20 of the interesting folks laid to rest in the Summit cemetery. Wear appropriate clothing for the weather (bug/tick spray, rain gear for light rain, etc.). We will use the rain date in case of heavy rain.

## **Fit for Life**

Travis Hyer

## **Historic New York: A Tour of More Than 120 of the State's Top National Landmarks**

Karen Cuccinello

Mon Nov 1 1-2

The Gathering Place

Karen Cuccinello is the Town of Summit and Village of Stamford Historian who has written over a dozen books on local history. Her latest book is entitled *Historic New York: A Tour of More Than 120 of the State's Top National Landmarks*. Join us as Karen guides us on a virtual tour of the most memorable historic sites in our state. The Schoharie County sites in the book are the Old Stone Fort and Dr. Christopher Best House. An example of some of the other sites in the book are: Walter Elwood Museum in Amsterdam for its eclectic mix of displays, Museum Village at Old Smith's Clove in Monroe (which sparked her interest in history as a child), Oneida Community Museum (unique as it gives an account of the history of a religious-like cult of the mid 1800's) and Seneca-Iroquois Museum in Salamanca where she learned a lot - particularly about their lacrosse team. (If you wish to get Karen's NYS Book or other history books, she will have copies at the class).

## **Tuesdays**

### **What's for Lunch?**

Kimberly Ferstler

Tues Sept 28, Oct 5,12,19,26, Nov 2 11:30-12:30

Zoom

Join CCE nutrition educator, Kimberly, for a 6-week series of classes to learn about both the "why" and "how" of eating healthy. One hour a week includes a nutrition lesson and time for a cook-along dish. In each class you can choose to cook-along and prepare something for lunch that day. Each recipe will be easy to prepare using typical kitchen tools. The recipe for each week will be shared in advance so you'll have time to purchase ingredients and gather equipment. The recipes generally make 4-6 servings.

## **Paradise Lost: American Imperialism in the Caribbean**

Marianna Tomasino

Tues Oct 5,12,19,26, Nov 2,9 1-2

The Gathering Place

While devouring the US part of the North American continent, European explorers from Spain, France and Portugal continued their quest for MORE (money, land, power, bounty, etc.) by colonizing the islands and countries of the Caribbean including Cuba, Guatemala, Haiti, Dominican Republic, Grenada and Puerto Rico. This often meant the destruction of entire cultures. This course will teach you that the US has a dark side despite our reputation for “being a shining star on the hill.”

## **The World of Trees**

Chris Cash

Tues Sept 7,14,28 10-11:15

SUNY tennis court parking lot

Our adventure will be an introduction to identifying trees by observations of leaves, bark, and plant shapes and colors. We will also chat about the environment trees prefer and the benefits they bring to our world. Bring your questions and any type of field guide, if you have one, and perhaps a small notebook. Time will be spent sitting for discussion and walking outside. First class will be at the campus athletic parking lot by the tennis courts (by the field house). The other classes' location TBD.

## **Beginning Quilters III**

Sharon Aitchison

Tues Oct 5,12,19,26 Nov 2,9,16,23 10-3

The Gathering Place

While this class is for beginning quilters, it is structured for those who have had previous experience sewing and maintaining their equipment, have all their own tools and good working order sewing machine, and have learned the basics of quilting prior to this class. We will move along at a fairly rapid pace. Bring your own lunch, rotary cutter and mat, rulers, pins, scissors, threads, power cord, access to fabrics.

## **Andy's Trail Hike**

Jeannie Irvine

Thurs Sept 16 1pm

133 Davis Road, Westford NY

Go for a 2.7-mile hike on Andy's Trail inside **Betty and Wilbur Davis State Park**. Perched atop a hill in Southern Otsego County, the park provides spectacular views to the south and west. Nearly two thirds of the park is blanketed by a forest of hardwoods intermixed with smaller areas of conifer plantation. The remainder of this 229-acre property is occupied by gently rolling meadowlands and two ponds. Named for the generous New York couple who donated the land to the state, it offers a variety of recreational opportunities. With expansive views and tranquil surroundings, Betty and Wilbur Davis State Park is a favorite among birdwatchers and other nature lovers. Directions will be provided as to where to park. The hike is fairly easy, but not paved. Dress for hiking in the woods and fields, and don't forget water, binoculars and insect repellent. Directions to parking will be provided. Heavy Rain date is Tuesday 9/28 at 1:30.

## **Intro to Winter Sowing**

Berenice (Berni) Dooley

Fri Oct 8 10-11

Cornell Cooperative Extension

Do you love to garden? But don't have the space or equipment to start seeds prior to the last frost date, as frequently recommended? Are you frugal, and dislike spending money on seed starting equipment? Are you environmentally conscious, and believe in reduce, reuse, recycle? If so, I will share my experiences as a neophyte winter sower and apprentice master gardener. Initially introduced to this process in the master gardener program, I utilized plastic milk jugs, soda bottles,

fast food containers, berry containers to create miniature greenhouses to sow seeds that would normally survive winter as perennials, or reseeding annuals.

With this method, you can start sowing, any time after the first day of winter, outdoors. I will share my success, and failures. I may be joined by Liz Brown, Schoharie County Master gardener, and Carla Hegman Crim, PhD, Horticulture and natural resource educator, Delaware County Cooperative extension.
